

Range Rules – Open Shooting

Range Safety Officer Authority

The Range Safety Officer (RSO) has the primary role of maintaining range rules and safety. The RSO has the authority to require a person to leave the range for a rule violation or any other cause deemed necessary by the RSO to maintain safety.

Firearms

All weapons must be holstered or unloaded and cased until in the shooting bay.

Automatic weapons are prohibited.

Weapons handling:

- Treat every firearm as if it were loaded.
- Muzzle pointed downrange only.
- Finger off the trigger until on target.
- Malfunctions must be cleared at the firing bay. Ask the RSO for assistance if necessary.
- Do not pass a loaded firearm to another person.
- Rapid fire, hip-shooting and draw and fire from the holster are not allowed.
- Weapons must remain at the firing lane unless entering or leaving the range.

Ammunition

Tracer, incendiary and armor piercing rounds are prohibited. The following calibers are allowed (factory ammunition only):

.22	.32	.380	.40	.45
.25	.38	9mm	.44	10mm

Personal Safety

Shooters must be 18 years old or accompanied by an adult.

Shooters must wait outside the range room for the next available shooting lane.

No one under the influence of or suspected of being under the influence of alcohol or drugs will be allowed on the range.

Eye and ear protection must be worn at all times while inside the range room.

No one is permitted forward of the firing line, or off the carpeted area.

A maximum of two people per bay will be allowed inside the range room, with only one active shooter per bay at a time.

Shooting from the standing position only. No shooting from prone or kneeling stances.

Targets

Large Range - Targets may be placed anywhere between 35 and 75 feet from the firing line.

Small Range - Targets may be placed anywhere between 28 and 45 from the firing line.

Paper bullseye targets only.

Target must be placed at a height that requires a horizontal aim.

Targets must be removed when done.
